

...Con't

My constituent has raised a number of further points to which he would greatly appreciate a response;

- Did RBWMC has a duty of care to inform him of the alleged secret agreement when he accepted the offer of compensation?
- Was it amoral and inappropriate for RBWMC to accept the alleged payment?

Please find enclosed copies of the letters that I have received from my constituent which outline the issues they have raised, in greater detail.

I am deeply concerned by my constituent's allegations and by the prospect of the Royal Borough of Windsor and Maidenhead Council accepting what is effectively a very substantial bribe to cover up serious abuse.

I am aware that you are very keen to find the full truth behind these condemnable historic events. However, I am very concerned by the manner in which this matter has been handled by the Council in question. As such I would greatly appreciate your thoughts and comments on this issue.

I should be grateful for any comments that you may have on the issues my constituent has raised and look forward to your reply in due course.

With best wishes,

Yours sincerely,

Mike Thornton MP
