Rt Hon Theresa May MP

Dear Mrs May,

Thank you for your help and your most recent letter dated 05/06/2014 from David Beckingham.

Mrs May when I first visited your surgery, I specifically asked you what your policy was on: *"The Royal Borough of Windsor & Maidenhead (RBWM) entering into a secret agreement with a suspected paedophile Denham Gilbert-Smith and RBWM receiving a payment in excess of a million pounds from Mr Gilbert-Smith"*.

Mrs May could you please answer my question by mail or shall I book another appointment?

Also, in return for this paedophile payment RBWM entered into a vow of secrecy with Gilbert-Smith to hide his paedophile activities at Green Field House. Do you think this is proper conduct for a local authority? Be interested to know your thoughts, as this set of circumstances may well have caused an obstruction to any future criminal investigation.

Mrs May, I understand the importance of your position and that your time is limited and very valuable. In light of that, I have enclosed a timeline of the events that took place in Maidenhead your constituency, to give you an overview, without taking up your valuable time. This timeline is 100% truthful and accurate; only the ten sections in **RED** are speculative as they haven't been investigated or verified yet.

Mrs May after reading the enclosed timeline the question I would ask you is:

How does one paedophile outwit the British police force, the British judicial system and then at the age of 65 leave his family ties in the UK and emigrate to Cyprus, a place where known criminals hide because there is no extradition treaty with the UK?

Mrs May how can this be so? All of this talk about Saville, Cyril Smith dead powerful people and what we could have or should have done when where alive is just nonsense in the light of the facts surrounding this case.

Please advise.
