Dear Mrs Gilbert-Smith,

I don't actually know if there is a Mrs Gilbert-Smith, but if there is, please find enclosed your husband's recent communications with me. The reason I have sent you this information, assuming that you do exist, is: it is my personal experience that the male side of the Gilbert-Smith family are a very devious, corrupt and deceitful bunch, who delight in giving their spouses a much distorted picture of the *truth*.

The truth concerning your paedophile brother-in-law, your corrupt detective bribing father-in-law and your despicable narcissistic husband, who like your father-in-law, has the audacity to erroneously call himself a follower of Jesus! Mrs Gilbert-Smith, the truth of the matter is that the male side of the Gilbert-Smith family are about as Christian as Nero Caesar, who also enjoyed raping young kids.

In spite of the fact that both your deceased father-in-law and husband were/are very much aware that Denham raped at least 10 boys as young as nine, and in spite of knowing this truth, both men want the truth suppressed to protect the precious Gilbert-Smith family name.

Mrs Gilbert-Smith, if you have any dignity as a Christian woman, I would strongly suggest that you get a quickie divorce from Brian, as in 2015 the distinctive "***Gilbert-Smith***" family name, will become synonymous with monsters like; Hindley, Sutcliffe, Brady, Manson, Saville, West, Crippen, Fritzl and such like.

Mrs Gilbert-Smith, if my strong accusations of raping at least 10 kids, murdering 3 men, bribing police, nobbling a jury and paying RBWM over £1M hush money were not true, don't you think one of these two despicable vile Gilbert-Smith creatures would sue me? The fact of the matter is, they dare not sue me because they are both terrified of the truth.

Yours sincerely,

J. Affleck

P.S. Brian recently read my book **Rich Man Poor Man**, I guarantee 100% if you do have the misfortune to be married to this vile creature, he manipulated the situation so that you couldn't/wouldn't/didn't read it!

How did I know that? 😊
